A THOROUGH TEST

One to convince the Most Skeptical Monett Reader.

The test of time is the test that counts.

Dean's Kidney Pills have made their reputation by effective action.

The following case is typical.

Monett residents should be convinced.

The testimony is confirmed—the proof complete.

Testimony like this cannot be ignored.

Theo. Lynde, carpenter, 401 Euclid avenue Monett says: I had occasion to use Doan's Kidney Pills for backache and kidney complaint. They relieved me of the trouble and there hasn't been any serious return of the ailment since.

Later Endorsement.

Nearly five years later, Mr. Lynde said: "I use Doan's Kidney Pills only once in a while and they have kept my kidneys in good condition. I am always ready to say a good word for them."

J. F. KING RETURNED TO MONETT CHARGE.

Annual Conference at Unanimous Request of Church Board Returns Monett Pastor for Sixth Term.

At the annual conference of the Methodist Episcopal churches of Missouri, Rev. J. F. King was returned to the Methodist church. Mr. King has served the church for five and a half years and that he be returned to his charge was the unanimous request of the church board.

Mr. King has made a wonderful record during his pastorate here. He placed the struggling little church on its feet financially. He was instrumental in putting the South Methodist and Methodist Episcopal churches into one body. The strength thus gained enabled the two congregations to build the handsome church which is the pride of the town.

J. F. King, Returned to Monett For Sixth Year.

Mr. King piloted the church through the building campaign without dissension and now the church is growing and interest is increasing steadily. So well organized were the different branches of the church that when Monett's quota for the centennial movement was announced, the church pledged the \$10,000, which is to be paid in five years, without apparent effort.

Mr. King has been able to accomplish these things by having the cooperation of the people to an unusual degree. He works quietly, persistently with no thought of himself and with no ostentation accomplishing great things.

Besides his church work which is arduous, he takes time to help in any movement for the good of the community. The people of Monett are very glad that Mr. King and his excellent wife will remain with us for another year.

Mrs. J. M. Clayton, Mrs. E. Bridwell, Mrs. R. C. Farrow and Mrs. Harry Fleming visited in Springfield, Wednesday.
